

HILL COUNTRY COMBATIVES

Training Gear List

Duty belt and training weapon. If you carry a back up weapon bring a training one with holster or method of carry.

Boxing gloves, mouth guard, groin protection and GI jacket or camo blouse for dealing with grips.

If the course has low light no light listed, bring your duty light. Make sure it is charged or have spare batteries.

For High Risk Control Options - inquire with your agency about getting SIM/UTM pistol with 150 rounds. The host agency will have some weapons and rounds but bring your own if possible.

Helmet approved for NLTA. We will be doing close quarter gun fighting so bring gloves, body armor or whatever kit and protection you wear or need.

Remember no sniveling.
